

I WANT WALLABY!

(Date)

Dear Store Manager or Dairy Buyer of _____,

(Name of Store)

I would love to be able to buy Wallaby Organic Yogurt in my favorite store. I have checked the flavors below that I would like you to carry. Wallaby Organic is a unique, Australian-style yogurt made in California's Napa Valley. Unlike most yogurts, it has a naturally creamy texture with subtly-sweet, delicate flavor. Wallaby Organic is a yogurt I've come to enjoy, and hope to see more of in your store!

If you need more information about where to order this product, please visit Wallaby Yogurt Company at <http://www.wallabyyogurt.com/html/retailDistributor.php> and fill out the online form. And please contact me when I can start buying Wallaby Organic at your store. My phone number is:

Thank you for considering this request!
Sincerely,

Loyal Customer
